Subject: BOLCC fundraising for storage facility

Good afternoon Carlton

I hope your well.

You maybe aware Bowling Old lane Cricket Club are presently fundraising in the community to build a storage facility to hold ground machinery, flat sheets and sports/ leisure resources for community use.

We plan to replace 3 steel containers and make new space in the car park and open up access to the clubhouse.

We are trying to raise approx £12K, and so far have raised about £9K. The building work has started after council approval.

We would be grateful if Bradford Trident (a key local partner), could contribute by way of sponsorship or grant donation to this worthy cause.

Please see attached summary of our storage project.

Thanks
