Hello Rafiq

I don't know when your next CC meeting is but could you please raise this idea / proposal with Community Councillors by email or at the next meeting. – thank you.

I know you have an annual community meeting, in the Autumn I believe, and wonder if you would be interested in running this to include a community safety dimension. I'm sure this would both help draw people in and provide much needed information and advice.

We are planning a number of community safety events across Bradford east area and are offering to work with you to add to what you do at your community meeting by bringing in partners such as Police - for Crime prevention, NHW, cyber crime awareness, Fire Safety Officer for home fire safety, SAFE project - raise awareness of frauds and scams, road safety information, etc. This could be run as stalls, rotating workshops etc. with an opportunity for people to get advice and information 1-2-1 from the relevant people and services.

Please could you let me know if this is something you'd like to pursue so we can plan in a date and time that is convenient and get this in people's diaries.

regards

Sheila Ward Officer

(I work Monday through to Thursday lunchtime)
