Dear Rafiq,

I am pleased to be able to send through some information about my organisation Circus Starr and details of our upcoming Autumn 2019 show for Bradford, which I hope you may find of interest.

My contact last time was Mr Jonathan Crudson and I would also like to thank you once again for your company's kind support of last year's tour.

Circus Starr is the circus with a purpose! You very kindly made a donation of £340.00 in support of our annual Bradford show. Thank you so much for your help, your generous contribution to Circus Starr meant that we were able spread joy throughout your community once again.

With your support, we are able to create a relaxed environment for local disadvantaged and vulnerable children like no other. A place where it doesn't matter what your needs are, a place where you will feel welcome and have fun!

This year we are excited to introduce more performances that are especially suitable for children who are deaf or visually impaired. By offering signed and audio described shows we are becoming a driving force in making the art of circus accessible to more children than ever before!

Not only does our Big Top host an inclusive show, but also a world class performance, full of breath-taking acts that continue to fire the imaginations of children from schools, organisations and hospices in your area.

With your help we can continue to make a difference to those who need it most in your community, like Hayden and his family.

Hayden is 9 and has a diagnosis of a rare genetic condition called Sotos Syndrome which effects all aspects of his life. As he doesn't like new environments and can't walk far without his wheelchair, days out for the whole family can be difficult.

But a trip to Circus Starr made it easy, as his mum Dawn explains;

"It provides a safe place for Hayden to express himself and for us to enjoy an evening as a family without any worry or stress with regards to Hayden's behaviour or where we are going to change him. Coming to Circus Starr makes us all feel wonderful and together."

For over 30 years we have shared smiles with families who deserve to be happy, why not support our upcoming performances in your area?

This year's show will be held at Peel Park, Bolton Road, Bradford BD2 4BX, on Sunday 8th September 2019.

We really do need your help to make our show possible, please take a look at the attachments to see how you can support us.

If you would like any additional information or if you have any queries please do let me know as I would be happy to help. To read more about how your donation can help take a look at http://www.circus-starr.org.uk/testimonials/case-studies/ or call us on 01260 288690.

Best Wishes,

Sharn Hully
