West Bowling Together We Can and a joint team involving St Stephens Church and Madni Mosque are organising a community celebration event as above. There will be Police with mini uniforms for kids to try on, Fire Service with bonfire safety messages, Bradford College promoting local learning opportunities, a bouncy castle, food, singer, magician, henna, face painting. The event will also be used to promote local work to tackle drug dealing and cleanliness by asking residents to sign pledge cards to get involved.

If you would like to be involved in the event some way please let me know how.

thanks

Sheila
