Hi

I'd like to invite the community council to offer a report for Trident's annual accounts and report that becomes the public record, to recognise Trident's gift of £20,000 to the Community Council.

Here is last year's entry.

Community (Urban Parish) Council

The charity invests £20,000 a year in the Community (urban parish) Council to facilitate its operation. Of which £10,000 supports small grant awards by the Community Council to local community and voluntary groups.

Perhaps you'd like to draft something to better reflect the Community Councils activity and achievements.

My deadline to receive updates is 13th September, otherwise I will re-run last year's entry.

Regards

Carlton
