Hi it has been a while since i contacted you i emailed aurangzeb yesterday in regards to the outstanding payment to friends of horton park for last summers fundrasing event in horton park which carried the trident logo for both events on 17 june and on august. i was assured at the time that the money will be received by us but it hasnt and as you was partnering the event and Nazreen was at the forefront with Aurangzeb in organising the event, i thought you would have send us the payment by now. even after the event i came down to the office and was assured that we would receive the payment and mr Niazy also advised me that the payment was approved at the meeting, then why wasn't it forwarded to us. please can you look in to this as a matter of urgency.
thank you

Dear Mr Khan

Further to our telephone conversation during which you have kindly clarified for me that the your event will be taking place on 17th June 2018 and not 2nd July 2018 as stated in your application form.

Please can you also clarify the following:

1) Will your event be going ahead on 17th June 2018 even if you don't receive the funding you have applied for?

The panel will be meeting on week commencing 18th June 2018, which will be after your event has taken place, and usually the council do not fund retrospective applications.

I look forward to hearing from you.

Many Thanks
